Decision on Taking Business in Private

The Convener (Edward Mountain): The *Official Report* is a written record of what was said in public meetings of the Scottish Parliament and in committee meetings. It is a substantially verbatim report. This means that repetitions and redundancies are omitted and obvious mistakes are corrected. Official Report staff exercise editorial judgment to convey the spoken word in written text while maintaining the flavour of the speech.

This is a draft *Official Report* and is subject to correction between publication and archiving, which will take place no later than 35 working days after the date of the meeting. The most up-to-date version is available here:
<https://www.parliament.scot/chamber-and-committees/official-report>

Members and other meeting participants who wish to suggest corrections to their contributions should contact the Official Report.
